Electric Department

The Electric Department will begin to put up the Snowflake Lights on the electric poles throughout Savannah Road and Kings Highway this week.

Winterization

Please remember to have your licensed plumbing company contact the Water Department to schedule the inspection of your home winterization. Also, with freezing temperatures approaching, be sure to keep an eye out for freezing pipes and irrigation lines.

Tree Trimming

Tree Trimming is scheduled to begin sometime in December 2015. Please know that provisions of right-of-ways and easements typically grant the BPW the authority to trim trees without additional property-owner permission, we take additional steps to notify customers in advance when this occurs.
