

EMERGENCY NOTICE

SEPTEMBER 20, 2016

The Lewes BPW water tower had technical difficulties last night and our customers experienced no water or low water pressure. The water tower is back online. You will experience low pressure and dirty water for the next several hours. The water department is opening fire hydrants throughout town in order to clear the lines. Please be patient the water will clear up today. Run cold water when you receive full pressure.

Again thank you for your patience and we apologize for any inconvenience this may cause.
