WHEREAS, the Lewes BPW provides an important service to the residents of the City of Lewes and those ratepayers residing outside of the corporate limits of the City of Lewes as stewards of the utility systems within its jurisdiction and, accordingly, takes care to ensure that current and future customers have access to safe, reliable, and affordable services; and

WHEREAS, the Board of Directors deem it in the best interest of the ratepayers, both current and future, to remove the requirement that the property owner of that certain real property comprising approximately 3.2 acres and being further identified as having Sussex County Tax Parcel Number 335-8.00-37.01 (the “Property”) enter into a so-called Pre-Annexation Agreement under Resolution 13-004 prior to receiving utility service from the Lewes BPW; and

WHEREAS, in removing the requirement that the Property owner execute a Pre-Annexation Agreement prior to receiving utility service from the Lewes BPW, the Board of Directors is not expressing an opinion that the Property owner should not pursue or otherwise welcome annexation into the City of Lewes; and

WHEREAS, the Board of Directors acknowledges the multitude of benefits that accompany annexation into the City of Lewes; and

WHEREAS, notwithstanding its steadfast support for the benefits of incorporating new territory into the City of Lewes, the Board of Directors, as a steward of the above-described utility systems, deem it in the best interest of the ratepayers, both current and future, to allow the Property owner to receive utility service under Resolution 13-004 without executing a Pre-Annexation Agreement.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE LEWES BOARD OF PUBLIC WORKS, IN SESSION MET THIS 27TH DAY OF JUNE, 2018, THAT:

Section 1. Notwithstanding anything within Resolution 13-004 and the Policy on providing Board of Public Works utility services outside the Lewes city limits to the contrary, the Property owner shall not be required to enter into an agreement with the City of Lewes providing for annexation to the City upon request by the City prior to the start of utility construction.

Section 2. All other provisions of Resolution 13-004 and the Policy on providing Board of Public Works utility services outside the Lewes city limits shall remain in full force and effect. By way of example and not intending to limit the forgoing, the Property owner shall be responsible for the cost of all improvements of utility service lines for the subject utility extension, in addition to all applicable impact fees.

Section 3. This Resolution shall take effect immediately upon its adoption by the Board of Directors of the Lewes Board of Public Works.
