

LEWES

FIRE DEPARTMENT, INC

ANNUAL "FIRE" FUND DRIVE

REMINDER

The members of The Lewes Fire Department, Inc., want to thank you in advance for your support. Without your donations, the ability of the men and women of your volunteer fire department to provide the community with consistent high levels of service would be greatly compromised. Please consider these points...

- The members of Lewes Fire Department are not paid and are strictly “volunteer” firefighters / EMT’s, saving taxpayers at least \$6 million in salary costs each year. If this department were to become county “paid” and no longer volunteer, that could potentially translate into an approximate tax increase per property in our district of \$300 to \$400 dollars per year.
- The operating budget pays for Buildings, Vehicles, Fuel, Electricity, Water, Insurance, Protective Clothing and Equipment, Rescue Tools, and miscellaneous housekeeping essentials.
- The Department responded to a total of 4,631 calls, (697 fire and 3,934 EMS), in 2017 which include buildings, boats, field and motor vehicle fires, motor vehicle collisions with entrapments, cardiac arrests, traumatic injuries, citizen assists, etc.
- The Lewes Fire Department is a 501(c) 3 corporation; meaning that your donations to us are tax deductible. We ask you to please do not underestimate the importance of your donation! Your donation makes a significant and critical difference aiding in providing quality service to your community!

The Lewes Fire Department, Inc., is always on the lookout for people in community who have the desire and time to volunteer and be involved in serving our community as a Firefighter/Emergency Medical Responders/Emergency Medical Technician (EMT-B). Should you not be interested in participating in the firefighting, rescue or EMS activities LFD has an active Auxiliary. For information you may go online to LFD website www.lewesfire.com or call (302) 645-6556.

thank you!
